FYI-

I've been out of the loop on the PA and won't be able to attend the September 14th meeting. What is the status of the PA in case I get questions?

Thanks

Hi Bob,

Just touching base regarding our upcoming North Pole Refinery TPT meeting scheduled to be held in Fairbanks September 14th.

Wondering if EPA will be attending this meeting via telecon or in person? Might you know? The team is interested in staying abreast of your work with the PA in the site.

We are beginning to sculpt the draft agenda now and, of course, will send it to you as soon as it is complete!

Thanks Bob!

JoAnn
